

16TH ANNUAL SPORTING CLAYS CLASSIC - SEPTEMBER 19, 2025

Come shoot with us! This will be a 4 person team competition with 1st, 2nd, and 3rd place awards. The sporting clays course is a ten shot, ten station layout (**100 total shots**) with differing targets at each station.

There are two things we hope to accomplish that afternoon:

- To provide you with a warm-up for the up-coming duck and pheasant season - of course, if you are fortunate enough to catch dove season, then you're already in mid-season form and you don't have any excuses when you miss your clays.
- To inform you, the paver community, on the benefits of Western Hardscape Association membership...

All you need to do is bring your appetite, your shot gun, and shells.

- There are a limited number of shotguns available for rental.
- If you are bringing your own ammunition, no loads larger than 7 ½.
- Shells are available for purchase at the range.
- Eye and ear protection is mandatory. Spaces are limited and are "first to respond, first to get your spot" basis. We will limit the entries to 60 people.**

We are looking forward to seeing you on Friday, September 19 for a great afternoon.
