

Contractor Education Scholarship Application

The WHA offers networking opportunities in Northern California as well as visibility through our e-News, distributed to over 700 local contractors, manufacturers, and dealers.

The 2026 Scholarship Program is designed to **support 5 local hardscape contractors** pursuing CMHA certification in concrete paver, permeable paver, and/or SRW installations. Scholarship awards provide **\$250 for WHA/CMHA members and \$200 for non-members** to help offset certification-related costs and strengthen our industry.

Name: _____

Address: _____

Phone# & Email: _____

Paver SqFt installed: _____

Permeable pavers SqFt installed: _____

SRW SqFt installed: _____

What are your plans in the hardscape industry?

Please mail completed forms to Western Hardscape Association
605 Industrial Way, Dixon, CA 95620 or email it to
whapavers@gmail.com
